DETAILED ACTION

Claims 1-27 are presented for examination.

Election/Restriction

Restriction to one of the following inventions is required under 35 U.S.C. 121:

- Claims 1-11 drawn to multi-computer document pagination, classified in class 715, subclass 525.
- II. Claims 12-18, drawn to distributed database or file accessing, classified in class 707, subclass 10.
- III. Claims 19-27, drawn to image target tracking and detecting, classified in class 382, subclass 103.

The inventions I, II and III are related as sub-combinations disclosed as usable together in a single combination. The sub-combinations are distinct from each other if they are shown to be separately usable.

In the instant case, invention I (multi-computer document pagination) has separate utility such as display visual image between multiple computers. Invention II (distributed database or file accessing) has separate utility such as configuring a distributed database to provide marketing information. Invention III

Application/Control Number: 09/961,392

Art Unit: 2171

(image target tracking and detecting) has separate utility such as capturing and segmenting images to identify target object.

Because these inventions are distinct and search groups I, II and III are not required to be simultaneous, restriction for examination purposes as indicated is proper.

Examiner leaved couple telephone messages to the Applicant's attorney – Scott Paul on April 23, 2004, concerning the instant claims restriction. However, no response was received, as such, the restriction of the instant invention is listed above.

Applicant is reminded that the reply to this restriction election to be completed must include an election of the invention to be examined within one month from the mailing date of this office action, even though the requirement be traversed (37 CFR 1.143).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susan Chen whose telephone number is (703) 308-1155. The examiner can normally be reached Monday through Friday from 7:30 A.M. to 4:30 P.M.
